RE: IDS Telcom Corp. - Docket No. 2005-26-C

Dear Mr. Terreni:

This firm represents IDS Telcom Corp. ("Company"). The Company was granted authority by the South Carolina Public Service Commission ("Commission") in the above-referenced matter to acquire certain assets of IDS Telcom LLC ("ITL"), including the Certificate of Public Convenience and Necessity issued to ITL by the Commission in Docket No. 2000-414-C.

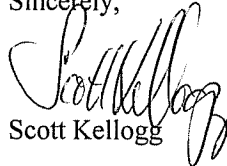

As noted in the above-referenced matter, the Company is a wholly-owned subsidiary of Cleartel Communications, Inc. ("CCI"). The Company hereby notifies the Commission that pursuant to a license agreement between the Company and CCI, the Company desires to do business in South Carolina also using the d/b/a "Cleartel Communications". We are advised that no fictitious name or trade name filings are possible with the Secretary of State or county clerk. Accordingly, it is the Company's intention to implement its use of the name with the Commission pursuant to this notice and the submission of the enclosed "Authorized Utility Representative Form" reflecting that additional name. A copy of that form will also be provided to the Office of Regulatory Staff under separate cover.

Further, the Company hereby notes that it is not submitting revised tariff pages reflecting the "Cleartel Communications" name at this time. Rather, the Company will do so following issuance of a Commission order in this matter.

Also enclosed are eleven copies of this notice letter. Please stamp one copy "received" and return it to my attention using the pre-addressed, stamped envelope also provided herein.

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

Scott Kellogg
